Orders/Delivery

Dresses are made to order, which means production doesn't begin until we receive order forms from all members of the bridal party. Production typically takes 12-14 weeks. It is the customer's responsibility to allow enough time to receive dresses and have necessary alterations. Rush charges may apply to orders placed less than 16 weeks from event date. Fees vary according to dress line and production schedule.

Shipping

Customers may pick up orders at Unbridaled free of charge and must do so within 7 days of it's arrival. Shipping to another location within the continental US is \$15.

Fabric

Please note that several of our designers use various forms of natural silk. Silk fabric may contain occasional slubs and gentle shading variances which are characteristics of fine silk yarn. They should not be regarded as defects.

Return Policy

All garments are made to order therefore all sales are final. If you feel something is wrong with your dress and it's defective (not size-related), you must notify Unbridaled within 3 days of receiving the dress/garment.

Alterations

Alterations should be expected. Our designers' garments are made by sizes only, NOT custom-made to your measurements. The price of the garment does not include alterations.
